:30 Radio "Bumped"

Rusty Wallace/Be Ready. Be buckled.

RUSTY: When you get bumped on the race track, the key is to stay in control.

ANNCR: NASCAR legend Rusty Wallace.

RUSTY: Same goes for the highway. That's why professional truck drivers need to buckle up, every trip, every time. Your safety belt can keep you in position, behind the wheel, in control, looking out for yourself and everybody else. That's what a professional driver does. So be ready. Be buckled. Remember, you're the one who drives... for a living.

ANNCR: A public service message from the U.S. Department of Transportation.
