Lots of people use the road each day – from people driving trucks, buses or cars, to people biking and walking. And they all need to be safe around each other!

Do you know what it takes to be safe on the road? Color these pictures to learn about important safety tips. Remember to ask an adult to help you cut out and mail the postcards on the cover.

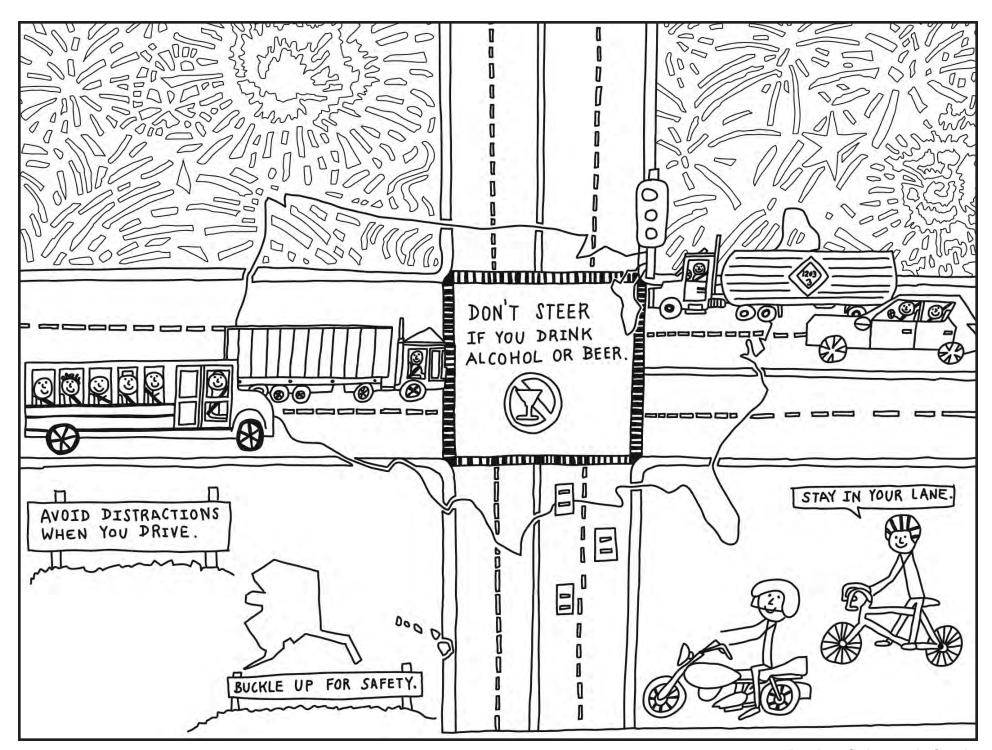

This coloring book features winning artwork from FMCSA's annual Road Safety Art Contest. The contest encourages children in kindergarten through sixth grade to use their creativity to raise awareness about road safety and wearing seat belts. We'd like to thank all the talented artists that participated.

Your artwork could be featured too! Enter next year's contest: www.fmcsa.dot.gov/OurRoadsArtContest.
