\*If a sole proprietor owner/operator submits personal information for registration purposes to obtain a USDOT Number or Operating Authority, this information will be publicly available on FMCSA Web sites. This published information may include, but is not limited to, the sole proprietor owner/operator’s home address, telephone number, and e-mail address when the home contact information also serves as the business contact information.

## OVERVIEW OF OPERATING AUTHORITY

Depending upon the type of business operation (Motor Carrier, Broker, Freight Forwarder, Shipper, Vehicle Registrant, and/or Cargo Tank Facility) and what will be transported (property, hazardous materials, and/or passengers), companies may be required to register for both Interstate Operating Authority (Form OP-1 series or Form OP-2) and USDOT Number (Form MCS-150 series). The Federal Motor Carrier Safety Administration (FMCSA) enforces compliance with the Federal Motor Carrier Safety Regulations (FMCSRs) and the Hazardous Materials Regulations (HMRs), which govern safety and financial responsibility. FMCSA’s registration requirements reflect the focus on both of these concerns.

FMCSA encourages all applicants with Internet access to use the online registration site at [www.fmcsa.dot.gov/registration](http://www.fmcsa.dot.gov/registration) in order to determine FMCSA’s registration requirements. Applicants without Internet access can call FMCSA at 1-800-832-5660 for assistance.

### WHO NEEDS OPERATING AUTHORITY?

Before beginning interstate operations in the United States (U.S.), all authorized for-hire Motor Carriers of non-exempt property and passengers, Brokers, and Freight Forwarders based in the U.S. or Canada must obtain Operating Authority by submitting the appropriate form(s) in the OP-1 series. For a description of the different types of OP-1 forms and the various FMCSA requirements for obtaining Operating Authority, please see “[What Are the Steps in Getting Operating Authority?](#)” (Topic IV) in this packet.

**NOTE:**

- *Hawaii-based Motor Carriers that transport household goods, property, or passengers within a terminal area (see 49 USC Part 13504) must obtain Operating Authority. Carriers that operate solely within the State of Hawaii and do not transport household goods are not required to obtain Operating Authority.*
- *Mexico-based Motor Carriers should refer to [www.fmcsa.dot.gov/mission/español](http://www.fmcsa.dot.gov/mission/español) (Spanish) or [www.fmcsa.dot.gov/safety/new-entrant-safety-assurance-program](http://www.fmcsa.dot.gov/safety/new-entrant-safety-assurance-program) (English) for more information.*

In addition to Operating Authority, some Motor Carriers of property or passengers must obtain a USDOT Number before beginning interstate operations. Please consult “Do I Need a USDOT Number?” at [www.fmcsa.dot.gov/registration/do-i-need-usdot-number](http://www.fmcsa.dot.gov/registration/do-i-need-usdot-number), which specifies the requirements for a USDOT Number.

## HOW TO APPLY

Applications may be submitted online or mailed to FMCSA. Compared to mailing, the online method reduces processing time by as much as 2-3 weeks, thus enabling companies to begin their operations sooner. **Remember, operations cannot begin until the certificate, permit, or license for Operating Authority has been received.** For more information, see "[What Are the Steps in Getting Operating Authority?](#)" (Topic IV) in this packet.

### APPLY ONLINE

Applying online requires the use of a valid credit card (American Express, Discover, MasterCard, or Visa). Those who do not wish to submit their credit card information online must complete the application and payment by mail (see "Apply by Mail" below).

The following tips are encouraged:

- Go to [www.fmcsa.dot.gov/registration](http://www.fmcsa.dot.gov/registration) for information about registering electronically.
- Utilize the form instructions during the completion of the online form. This will help to ensure that the application is completed accurately.

**NOTE:**

- The applicant's legal name (or the authorized representative's name) must match the name and billing address of the credit card.
- Record the MC or FF Number that is provided after approval of the application. This number will be needed on the insurance and process agent forms that are required to complete the application process for obtaining Operating Authority (for more details, see "[What Are the Steps in Getting Operating Authority?](#)" [Topic IV] in this packet). This number may also be needed for any correspondence with the FMCSA.

# WHAT ARE THE STEPS IN GETTING OPERATING AUTHORITY?

For Motor Carriers, Brokers, and Freight Forwarders based in the U.S. or Canada, the Operating Authority application process includes the six steps shown below. Motor Carriers based in Hawaii or Mexico should see the [NOTE](#) in "Overview of Operating Authority" (Topic I) in this packet.

## STEP 1 — APPLICATION FOR OPERATING AUTHORITY

Motor Carriers, Brokers, and Freight Forwarders begin the Operating Authority application process by submitting one (or more) of the following forms with the appropriate application processing fee:

- OP-1 — Operating Authority for:
  - 1) Motor Carrier (common property, contract property, common household goods, or contract household goods).
  - 2) Broker (property or household goods).
  - 3) United States-based Enterprise Carrier (international cargo or international household goods).
- OP-1(P) — Operating Authority for Motor Passenger Carrier (common or contract).
- OP-1(FF) — Operating Authority for Freight Forwarder (property or household goods).

### NOTE:

- For descriptions of the different types of Operating Authority, see “[SECTION 2 — Type of Authority](#)” under “How to Complete the OP-1 Application for Motor Property Carrier and Broker Authority” (Topic V) in this packet.
- To identify the required form(s) for Operating Authority, see [www.fmcsa.dot.gov/registration/registration-forms](http://www.fmcsa.dot.gov/registration/registration-forms).

## STEP 2 — GRANT LETTER AND MC/FF NUMBER

Applicants will receive a grant letter after FMCSA processes and accepts the Operating Authority application as follows:

- If applying online, a Motor Carrier (MC) or Freight Forwarder (FF) Number will be provided immediately, and the confirmation grant letter will arrive via mail.
- If applying by mail, the grant letter should arrive via mail in approximately 4 weeks. This letter will include the MC or FF Number. Applicants have the option of checking the status of their application online. See “[Information Sources](#)” (Topic VI) in this packet for instructions.

Insurance Companies and Process Agents will use the MC or FF Number to make the appropriate filings on behalf of applicants to complete the application process for obtaining Operating Authority.

**NOTE:** Although an MC or FF Number has been assigned by FMCSA, this does not represent Operating Authority. The company may not begin to operate until it has received the corresponding certificate, permit, or license for Operating Authority described in [Step 6](#).

## STEP 3 — 10-DAY PROTEST PERIOD

At the same time the grant letter is mailed, each company’s application for Operating Authority will be published in the *FMCSA Register*. This publication initiates the 10-calendar-day protest period, during which any individual can file a protest with FMCSA stating why a company should not be issued Operating Authority. FMCSA will accept protests sent by mail as long as they are postmarked by the last day of the protest period. FMCSA will provide the applicant with information on the adjudication process if any protests are filed. During this protest period, Insurance Companies and Process Agents can file the necessary documents detailed in Step 4 and Step 5 below.

To view the FMCSA Register, go to <http://li-public.fmcsa.dot.gov> and then follow the steps below:

- Read the introductory page and then click the “Continue” link.
- Select the “FMCSA Register” option in the dropdown menu and click “Go.”

## STEP 4 — INSURANCE

This step can begin any time after the applicant receives an MC or FF Number (as described in Step 2 above) and is not dependent on Step 3 being completed. An Insurance Company must file the appropriate insurance form(s) on behalf of the applicant within 90 days of the date the application for Operating Authority was published in the *FMCSA Register*. Otherwise, the application for Operating Authority will be dismissed, and the application fee will not be refunded. The applicant will receive a warning letter about the 90-day deadline if FMCSA has not received the required documentation within 20 days.

### NOTE:

- Applicants may not file insurance forms on their own behalf. Therefore, FMCSA does not provide insurance forms to applicants.
- An authorized representative from the home or branch office of an Insurance Company must file the required insurance form(s) on the applicant’s behalf.
- To minimize processing delays, FMCSA recommends filing forms electronically.
- It is the applicant’s responsibility to follow up with the Insurance Company to verify that FMCSA has received and approved the required insurance form(s).
- Failure to promptly submit required forms and documentation will delay application processing and can result in dismissal of the application and loss of the application fee.
- Check the status of insurance filings by either accessing the FMCSA Web site (see “[Information Sources](#)” [Topic VI] in this packet for instructions) or calling FMCSA toll-free at 1-800-832-5660 (Monday through Friday, 8 a.m. to 8 p.m. EST).

Depending upon the type(s) of Operating Authority requested, one or more of the following forms must be filed with FMCSA by an Insurance Company or financial institution:

- Form BMC-91 or BMC-91X for proof of bodily injury and property damage (BI & PD) insurance.
- Form BMC-34 for proof of cargo liability insurance.
- Form BMC-84 for broker surety bond.
- Form BMC-85 for broker trust fund agreement.

For specific guidance about which form(s) FMCSA requires, see “[Section III — Insurance Information](#)” under “How to Complete the OP-1 Application for Motor Property Carrier and Broker Authority” (Topic V) in this packet. Also, see 49 CFR Part 387 for more details. To view this information, go to the FMCSA Web site at [www.fmcsa.dot.gov/regulations/title49/part/387](http://www.fmcsa.dot.gov/regulations/title49/part/387).

### Self-Insurance

Motor Carriers, U.S.-based Enterprise Carriers, and Freight Forwarders may qualify as a self-insurer against bodily injury, property damage, and cargo liability claims by submitting Form BMC-40 (Application for Authority to Self-Insure) and evidence to the FMCSA to demonstrate the existence of the following:

- Adequate tangible net worth that will cover any liability claims in the event of a loss.
- Sound self-insurance program.
- Adequate safety program.

FMCSA will approve an application to self-insure subject to appropriate and reasonable conditions. For more details about self-insurance, see 49 CFR 387.309 and 387.411.

### Insurance Exemptions

Motor Common Carriers and U.S.-based Enterprise Carriers that transport low-value goods, as specified in 49 CFR 387.301(b), may request exemption from cargo insurance requirements by submitting the cargo exemption form. Freight Forwarders that will not operate commercial motor vehicles (CMV) may seek a waiver of liability (BI & PD) insurance requirements. Direct all requests for insurance exemptions and waivers to the FMCSA Insurance Team, Office of Registration and Safety Information, at 1-800-832-5660 or via web form at <https://ask.fmcsa.gov/app/ask>.

## STEP 5 — PROCESS AGENT

This step can begin any time after an applicant receives its MC or FF Number as described in Step 2 above. FMCSA requires each applicant for Operating Authority to designate a Process Agent in every State in which it conducts business or maintains an office. A Process Agent is a representative upon whom court papers may be served in any legal proceeding brought against a Motor Carrier, Broker, or Freight Forwarder.

#### Motor Carriers of Property and/or Passengers, and CMV-operating Freight Forwarders:

- Must designate a Process Agent in each State that they operate in or through.
- Can act as their own Process Agent in the State in which they maintain a physical office (P.O. Box address is not considered a physical office).

#### Brokers and Freight Forwarders that will not operate CMVs:

- Must designate a Process Agent in each State in which they maintain an office or establish contracts.
- Can act as their own Process Agent in the State in which they maintain a physical office (P.O. Box address is not considered a physical office).

Either the applicant or Process Agent, on behalf of the applicant, can file Form BOC-3 (Designation of Process Agents) with the FMCSA. This form must be filed within 90 days of the date the application for Operating Authority was published in the *FMCSA Register*. Failure to meet this deadline will result in dismissal of the Operating Authority application and loss of the application fee. The applicant will receive a warning letter about the 90-day deadline if FMCSA has not received the required documentation within 20 days. To minimize processing delays, FMCSA recommends electronically filing Form BOC-3. More information can be found at [www.fmcsa.dot.gov/registration/form-boc-3-designation-agents-service-process](http://www.fmcsa.dot.gov/registration/form-boc-3-designation-agents-service-process).

For a fee, many commercial companies will arrange a Process Agent in any State. Some companies offer “blanket coverage,” which designates a Process Agent in every U.S. State. For a list of Process Agent companies, visit the FMCSA Web site at [www.fmcsa.dot.gov/registration/process-agents](http://www.fmcsa.dot.gov/registration/process-agents). For more details about Process Agent designation, see 49 CFR 366.

## STEP 6 — CERTIFICATE, PERMIT, OR LICENSE OF OPERATING AUTHORITY

After FMCSA has approved the application, insurance, and process agent filings, and the protest period has ended without any protests, applicants are issued Operating Authority in the form of a certificate (Motor Carrier), permit (Freight Forwarder), or license (Broker). **Applicants may not begin operations until this official record of Operating Authority is received by mail.**

### State Regulations and Requirements

In addition to Federal requirements, all applicants must comply with registration, fuel tax, and other State regulations and procedures. Before beginning new or expanded interstate operations, applicants must familiarize themselves with the various State rules applicable to interstate companies in each State in which they plan to operate. Begin this process by contacting the transportation regulatory agency for the State in which the applicant is located.

## HOW TO COMPLETE THE OP-1 APPLICATION FOR MOTOR PROPERTY CARRIER AND BROKER AUTHORITY

These instructions will assist companies in accurately completing the application. **Incomplete or incorrect applications will be delayed or suspended until the applicant has been contacted and the problems have been resolved. If an application is rejected, the application fee will not be refunded.**

### NOTE FOR APPLICATIONS THAT WILL BE MAILED:

- Please print clearly in ink or type all information.
- If more space is needed to complete any section on the application form, please attach a separate sheet of paper and label each page with the applicant's legal business name, section number on the form, and item description.
- Retain a copy of the completed application form and any supporting attachments for the company's business records.
- For additional mailing instructions, please see "[Apply by Mail](#)" under "How to Apply" (Topic II) in this packet.

- Must designate a Process Agent in each State that they operate in or through.
- Can act as their own Process Agent in the State in which they maintain a physical office (P.O. Box address is not considered a physical office).

If neither of the conditions above applies, select the "No" response.

If the "Yes" response is selected, indicate the MC/FF Number (for example: MC-999999), which is also called the lead docket number. To search for the MC/FF Number, follow the instructions provided under "[MC/FF Number](#)" in "Information Sources" (Topic VI in this packet).

**2. Legal Business Name** — Enter the full legal name of the business entity (i.e., corporation, sole proprietor/individual, or partnership) that owns/controls the Motor Carrier or Broker operation. ## SECTION 3 — INSURANCE INFORMATION

**Only applicants that will operate commercial motor vehicles must complete this section.** The bodily injury and property damage (BI & PD liability) insurance coverage requirements are based upon the gross vehicle weight rating (GVWR) of vehicles and the classification of property (including hazardous materials) that will be transported. Check all boxes that apply.

**29. Minimum Amount of Coverage Required** — To determine the required minimum amount of BI & PD liability insurance coverage, identify the highest dollar amount in parentheses among the insurance categories that are selected. For example, if the boxes for both non-hazardous commodities (\$750,000) and hazardous materials (\$5,000,000) are checked, the required minimum insurance coverage is \$5,000,000 — not \$5,750,000.

### NOTE:

- **Motor Common Carriers of Household Goods (HHG), Motor Contract Carriers of HHG, and U.S.-based Enterprise Carriers of International HHG** must maintain a minimum of \$750,000 of BI & PD liability insurance coverage regardless of the GVWR of the vehicles they operate.
- **In addition to BI & PD liability insurance coverage, Motor Common Carriers of Property, Motor Common Carriers of HHG, U.S.-based Enterprise Carriers of International Cargo, and U.S.-based Enterprise Carriers of International HHG** must maintain minimum levels of cargo insurance (Form BMC-34 for cargo liability) in the amount of:
  - 1) \$5,000 for loss of or damage to property carried on any one motor vehicle.
  - 2) \$10,000 for loss of or damage to property occurring at any one time and place.
- **Motor Common Carriers and U.S.-based Enterprise Carriers that transport low-value goods**, as specified in 49 CFR 387.301(b), may request an exemption from cargo insurance requirements by calling 1-800-832-5660 (toll-free).
- **Motor Contract Carriers of Property and Motor Contract Carriers of HHG** only require proof of BI & PD liability insurance with FMCSA. Cargo insurance is not required by Motor Contract Carriers.
- **All Brokers** are required to have one of the following in the amount of \$75,000:
  - 1) Broker/FF Surety Bond (Form BMC-84) must be filed by an insurance company.
  - 2) Broker/FF Trust Fund Agreement (Form BMC-85) must be filed by a financial institution. This form is available at [www.fmcsa.dot.gov/registration/registration-forms](http://www.fmcsa.dot.gov/registration/registration-forms) or by request from the FMCSA Insurance Section, Office of Registration and Safety Information, at 1-866-637-0635 (toll-free) or 202-385-2423.
- An insurance company must file the appropriate insurance form(s) on behalf of the applicant within 90 days of the date the application for Operating Authority was published in the FMCSA Register. Call FMCSA toll-free at 1-866-637-0635 to request information about insurance providers.
- For more information about FMCSA's insurance regulations, see "[Step 4 — Insurance](#)" under "What Are the Steps in Getting Operating Authority?" (Topic IV) in this packet.

## SECTION 4 — SAFETY CERTIFICATION

Only applicants that will operate commercial motor vehicles must complete this section. Select only one response.

**30-31. Safety Certification** — Applicants that will only operate vehicles with a GVWR under 10,000 pounds and will not transport hazardous materials are exempt from the Federal Motor Carrier Safety Regulations. Skip to the paragraph “EXEMPT APPLICANTS,” read the corresponding statement, and select the “YES” response in this part only if the applicant attests that the entire statement is true.

All other applicants that will operate vehicles with a GVWR of more than 10,000 pounds must read the statements under “APPLICANTS SUBJECT TO FEDERAL MOTOR CARRIER SAFETY REGULATIONS.” These statements describe the activities that Motor Carriers and U.S.-based Enterprise Carriers must follow in order to comply with the FMCSRs.
