

EXECUTIVE DEPARTMENT
STATE OF CALIFORNIA

PROCLAMATION OF A STATE OF EMERGENCY

WHEREAS on July 14, 2021, the Dixie Fire began burning in Butte County and has since crossed into Plumas County, impacting Butte, Plumas, and Lassen counties; and

WHEREAS the Dixie Fire has burned more than 142,000 acres, destroyed homes, and continues to threaten additional homes and other structures, necessitating the evacuation of thousands of residents and of numerous health and other care facilities; and

WHEREAS the Dixie Fire forced the closure of major roadways and rail lines, damaged infrastructure, and continues to threaten power, communication, and other critical infrastructure, impacting Butte, Plumas, and Lassen counties; and

WHEREAS the Federal Emergency Management Agency approved a Fire Management Assistant Grant to assist with the mitigation, management, and control of the Dixie Fire; and

WHEREAS on July 22, 2021, the Fly Fire began burning in Plumas County, and has burned thousands of acres, caused road closures and threatened rail lines, and forced additional evacuations in Plumas County; and

WHEREAS the Beckwourth Complex Fire, for which I proclaimed a State of Emergency on July 16, 2021, continues to burn in Lassen and Plumas counties, and the combined effects of the multiple fires are compounding impacts on firefighting and other response resources; and

WHEREAS on July 4, 2021, the Tamarack Fire began burning in Alpine County, has burned more than 50,000 acres, and continues to burn; and

WHEREAS the Tamarack Fire has forced road closures, is threatening critical infrastructure, homes, and other structures, and has forced the evacuation of residents; and

WHEREAS exceptionally high temperatures, drought conditions, and dry fuels have further increased the spread of these fires, and it is critical to minimize any impediment to firefighting resources; and

WHEREAS under the provisions of Government Code section 8558(b), I find that conditions of extreme peril to the safety of persons and property exist due to the Dixie Fire, the Fly Fire, and the Tamarack Fire; and

WHEREAS under the provisions of Government Code section 8558(b), I find that the conditions caused by these fires, by reason of their magnitude and combined impacts, are or are likely to be beyond the control of the services, personnel, equipment, and facilities of any single

local government and require the combined forces of a mutual aid region or regions to appropriately respond; and

WHEREAS under the provisions of Government Code section 8625(c), I find that local authority is inadequate to cope with the magnitude of the damage caused by these fires; and

WHEREAS under the provisions of Government Code section 8571, I find that strict compliance with various statutes and regulations specified in this Order would prevent, hinder, or delay the mitigation of the effects of these fires.

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes, including the California Emergency Services Act, and in particular, Government Code section 8625, **HEREBY PROCLAIM A STATE OF EMERGENCY** to exist in Plumas County due to the Dixie Fire and Fly Fire, in Butte and Lassen counties due to the Dixie Fire, and in Alpine County due to the Tamarack Fire.
