WHEREAS the McKinney Fire has damaged and destroyed several homes and threatens the area around Yreka, necessitating the evacuation of more than eighteen hundred residents; and

WHEREAS the China 2 and Evans fires in Siskiyou County merged, burning more than three hundred acres and causing an evacuation warning for more than two hundred residents; and

WHEREAS these wildfires have forced road closures and continue to threaten critical infrastructure, including water and communication sites, private timberlands, and other structures; and

WHEREAS overnight thunderstorms and lightning, high temperatures, extreme drought conditions, dry fuels, winds, and continued critical fire weather conditions have increased the intensity and spread of these wildfires; and

WHEREAS the combined effects of these wildfires, other fires, and fire weather conditions are compounding impacts on firefighting and other response resources; and

WHEREAS under the provisions of Government Code section 8558(b), I find that conditions of extreme peril to the safety of persons and property exist due to these wildfires in Siskiyou County; and

WHEREAS under the provisions of Government Code section 8558(b), I find that the conditions caused by these wildfires, by reason of their magnitude, are or are likely to be beyond the control of the services, personnel, equipment, and facilities of any single local government and require the combined forces of a mutual aid region or regions to appropriately respond; and

WHEREAS under the provisions of Government Code section 8625(c), I find that local authority is inadequate to cope with the magnitude of the damage caused by these wildfires; and
