SUPPLEMENTARY INFORMATION:

I. Background

The TLTF was created under the Federal Advisory Committee Act (FACA) in accordance with section 23009 of the Bipartisan Infrastructure Law (BIL) (Pub. L. 117-58), which requires the Federal Motor Carrier Safety Administration (FMCSA) to establish the TLTF. The TLTF will examine the terms, conditions, and equitability of common truck leasing arrangements, particularly as they impact owner-operators and trucking businesses subject to such agreements and submit a report on the task force's identified issues and conclusions regarding truck leasing arrangements, including recommended best practices, to the Secretary, the Secretary of Labor, and the appropriate committees of Congress. The TLTF will work in coordination with, and be informed by, the United States Department of Labor.

The TLTF operates in accordance with FACA under the terms of the TLTF charter, filed February 11, 2022.

II. Agenda

The agenda will cover the following topics:

- An ethics briefing for FACA members;
- A discussion of ground rules for meetings (including logistics and meeting etiquette);
- A review of BIL requirements for topics/issues the TLTF must discuss;
- A discussion of the schedule for future meetings (virtual and hybrid, possibly), data needs/requests to support deliberations, guest presenters, etc.;
- Initial deliberations and discussion on the required list of BIL items.

III. Public Participation

The meeting will be open to the public via virtual platform. Advance registration via the website is required.

DOT is committed to providing equal access to this meeting for all participants. If you need alternative formats or services due to a disability, such as sign language

interpretation or other ancillary aids, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section by Friday, June 30, 2023.

Oral comments from the public will be heard during designated comment periods at the discretion of the TLTF chair and Designated Federal Officer. To accommodate as many speakers as possible, the time for each commenter may be limited. Speakers are requested to submit a written copy of their remarks for inclusion in the meeting records and for circulation to TLTF members. All prepared remarks submitted on time will be accepted and considered as part of the record. Any member of the public may present a written statement to the committee at any time.
