‘Sisters of the Road’ Mobile Truck Exhibition

We will be touring the USA via the biggest art and trucking venues during March 2024

Launching on International Womens Day, March 8th 2024

Exhibited during Womens History Month March 2024

**SotR has been recognized in both industry press
& art spaces for its power to increase awareness**

ART & CULTURE

On the road with America's female truckers

Ride on

Photographer Anne-Marie Michel captures the women who through determination and strength are forging their own way in a male-dominated industry.

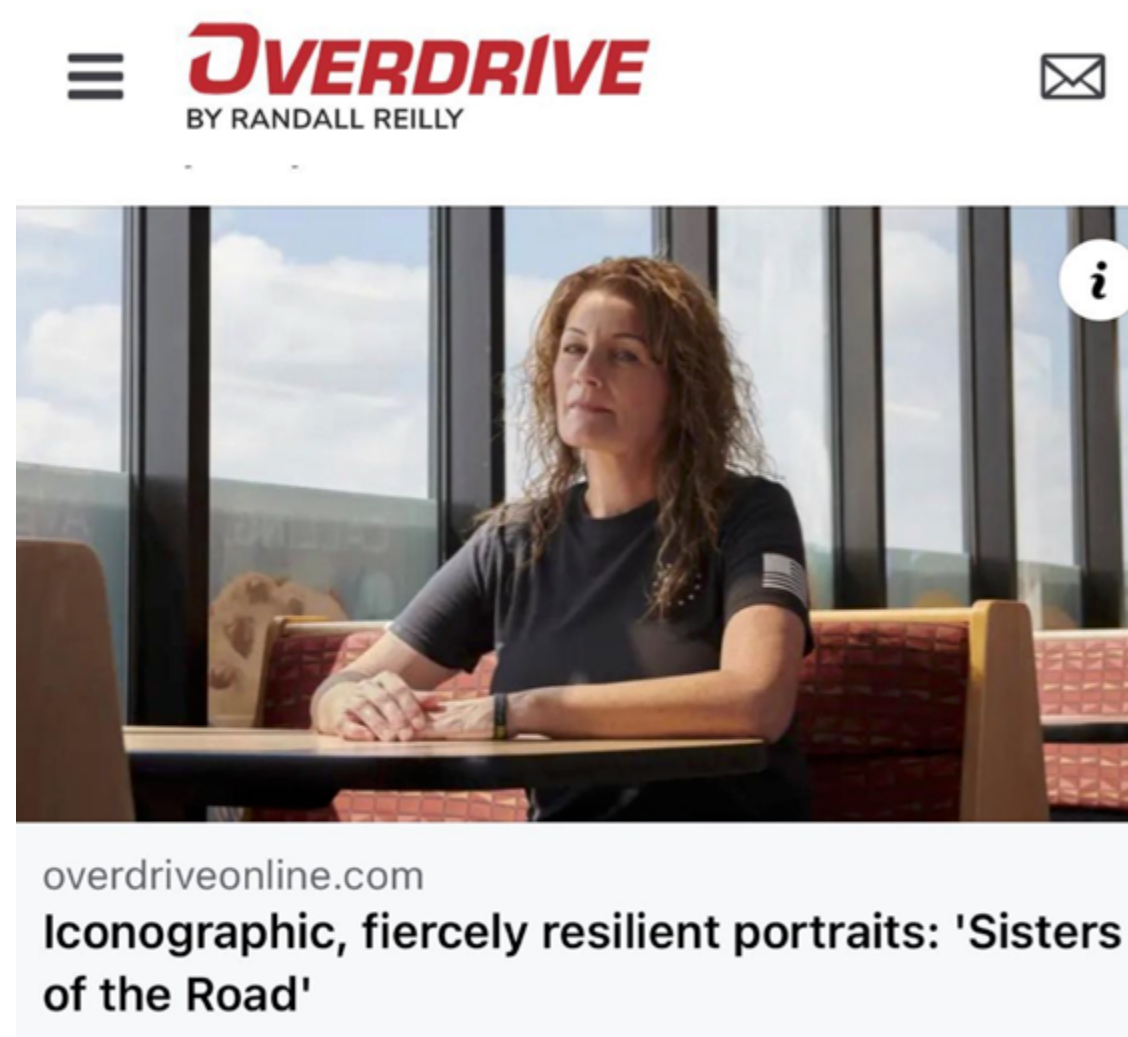

A form of “aspirational femininity”: Photographer Anne-Marie Michel depicts America's female truckers

Inspired by the journey she, her mother and sisters took across America, the London-based photographer endeavours to reframe the typical trucker image.

PRESS

Social Impact Heroes: Photographer Anne-Marie Michel Is Helping To Share The Stories Of The Joy & Challenges Women Truck Drivers Face

EXHIBITIONS

‘Thoughtful & so evocative. Love the work’

‘Very impressive body of work. The stories in the book, Sisters of the Road, were very moving too.’

‘The pictures evoke so much power and understanding in a single snap’

‘Such beautiful photographs. Amazing inspirational women!’

‘The stories and photographs are incredible and inspiring!’

‘Brave ladies!! Well done!’

‘Beautiful! Women can do everything/anything!’

We ask for your solidarity, partnership and collaboration.

We would love to join forces to positively promote trucker women and the various opportunities this life holds for others.
