

THE 2014 "BE READY. BE BUCKLED." KIDS' ART CONTEST IS NOW OPEN FOR ENTRIES!
This year's contest theme is...

CRAYONS CAN SAVE LIVES, TOO!

Encourage kids to get creative as they remind truck and bus drivers to buckle up!

Do you know someone that works in the truck or bus industry? Show them you care about their safety! The contest is for kids in grades K-6 who have a relative in the truck or bus industry or are sponsored by someone in the industry. Kids that promote this important message about safety belts through their artwork will have a chance to win a prize.
