

# National “Be Ready. Be Buckled.” Kids’ Art Contest

## Rules & Entry Form

The annual Commercial Motor Vehicle (CMV) Safety Belt Partnership ([www.fmcsa.dot.gov/safetybelt](http://www.fmcsa.dot.gov/safetybelt)) “Be Ready. Be Buckled.” art contest for children with a relative or sponsor in the truck and bus industries in grades K-6 (ages 5-12) runs through Monday, March 16, 2015!

The awards ceremony is held in conjunction with the American Society of Safety Engineers’ (ASSE) North American Occupational Safety and Health Week (May 3-9, 2015) celebrations aimed at increasing awareness about work safety – being safe on the job. The “Be Ready. Be Buckled.” art contest focuses on urging truck, bus and all drivers to buckle up to save lives and reduce injuries.

Children with a relationship to individuals or organizations in the trucking and bus industries can participate as per entry requirements.

Artwork that best illustrates “the importance of commercial motor vehicle drivers buckling up” with the overarching message “Safety Belts Save Lives” will win the grand prizes in each of the two age categories.

The winners of this contest will be honored at an awards ceremony to be held at the U.S. Department of Transportation Headquarters in early May 2015. That afternoon there will be a special program for the winners at the Smithsonian National Air and Space Museum on the National Mall.

When creating your work of art think about these questions:

- Why is it important for truck and bus drivers to buckle up every time?
- Bus and truck drivers can spend many hours a day on the road. Why is the motto “Safety Belts Save Lives” really important for them?
- Do you see big trucks and buses on the road? Why is it important for those drivers to buckle up and be safe?
- What would happen if a truck or bus driver did not buckle up while on the job?

The subject of the artwork entry is to be the student’s personal expression of the importance of Commercial Motor Vehicle (CMV) drivers buckling up.
