SUPPLEMENTARY INFORMATION:

I. Background

Section 4144 of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU) (Pub. L. 109-59, August 10, 2005), requires the Secretary to establish the Motor Carrier Safety Advisory Committee. The Committee will provide advice and recommendations to the Administrator of the Federal Motor Carrier Safety Administration (FMCSA) on the needs, objectives, plans, approaches, content, and accomplishments of motor carrier safety programs and motor carrier safety regulations. The Committee will be comprised of up to 20 members appointed by the Administrator for up to two-year terms. They will be selected from among individuals who are not employees of FMCSA and who are specially qualified to serve on the Committee based on their education, training, or experience. The members will include representatives of the motor carrier industry, safety advocates, and safety enforcement officials. Representatives of a single enumerated interest group may not constitute a majority of the Committee members. The Administrator will designate a chairman of the Committee from among the members. Committee members will not be officers or employees of the Federal Government and will serve without pay. The Administrator may allow a member, when attending meetings of the Committee or a subcommittee, reimbursement of expenses authorized under Section 5703 of Title 5, United States Code and the Federal Travel Regulation, 41 CFR part 301, relating to per diem, travel and transportation. FMCSA anticipates

calling Committee meetings at least four times each year (excluding the initial year). Meetings will be open to the general public, except as provided under the Federal Advisory Committee Act (5 U.S.C. App 2). Notice of each meeting will be published in the **Federal Register** at least 15 calendar days prior to the date of the meeting.
