This emergency exemption is effective beginning January 8, 2014, and will remain in effect for 5 days.

The following is ordered:

An emergency exists that requires relief from regulations adopted in Massachusetts and Federal Statutes and Regulations pertaining to hours of service of motor carriers and drivers of commercial motor vehicles, while transporting and delivering fuels necessary for the continued heating of homes and businesses. 2. Nothing contained in this declaration shall be construed as an exemption from the Controlled Substances and Alcohol Use and Testing requirements (49 CFR 382), the Commercial Drivers License requirements (49 CFR 383), the Financial Responsibility requirements (49 CFR 387), applicable Size and Weight requirements, or any other portion of the regulation not specifically identified.
