No. 153

EXECUTIVE ORDER

DECLARING A DISASTER IN THE COUNTIES OF BRONX, KINGS, NASSAU, NEW YORK, ORANGE, PUTNAM, QUEENS, RICHMOND, ROCKLAND, SUFFOLK, AND WESTCHESTER, AND CONTIGUOUS AREAS

WHEREAS, on or about January 23, 2016 and continuing thereafter, hazardous winter weather conditions exist in New York City, Long Island, and several other counties due to a Nor'easter impacting the region across several states. Snowfall totals of 18 to 24 inches are forecast in New York City and Long Island with the potential for blizzard conditions. Moderate coastal flooding in Long Island during high tide is also possible with wind speeds between 30 and 40 mph and wind gusts up to 55 mph that could cause scattered power outages. This Nor'easter could impact New York State and poses an imminent danger to vital public transportation, utility service, and public health and public safety systems within the counties of Bronx, Kings, Nassau, New York, Orange, Putnam, Queens, Richmond, Rockland, Suffolk, and Westchester, and their contiguous areas; and

WHEREAS, this event may cause widespread power outages, moderate to severe coastal erosion and flooding, damage to homes, apartments, businesses, and public and private property, damage and uproot trees, and continue to pose a threat to the public health and safety;

NOW, THEREFORE, I, ANDREW M. CUOMO, Governor of the State of New York, by virtue of the authority vested in me by the Constitution and the Laws of the State of New York, do hereby find that a disaster is imminent for which the affected local governments are unable to respond adequately. Therefore, pursuant to the authority vested in me by the Constitution of the State of New York and Section 28 of Article 2-B of the Executive Law, I hereby declare a State Disaster Emergency effective January 23, 2016 within the territorial boundaries of the counties of Bronx, Kings, Nassau, New York, Orange, Putnam, Queens, Richmond, Rockland, Suffolk, and Westchester, and their contiguous areas, and

FURTHER, pursuant to Section 29 of Article 2-B of the Executive Law, I direct the implementation of the State Comprehensive Emergency Management Plan and authorize, effective January 23, 2016, the State Office of Emergency Management, the Department of Health, the Department of Transportation, the Division of State Police, the Division of Military and Naval Affairs, the Department of Environmental Conservation, the Department of Corrections and Community Supervision, the Public Service Commission, the Office of Fire Prevention and Control, the Department of Labor, the Office of Parks, Recreation and Historic Preservation, the Office of General Services, the State University of New York, the Thruway Authority, the Division of Homeland Security and Emergency Services, other State agencies as necessary, and the American Red Cross to take appropriate action to protect State property and to assist affected local governments and individuals in responding to and recovering from this disaster, and to provide such other assistance as necessary to protect the public health and safety.

IN ADDITION, this declaration satisfies the requirements of 49 C.F.R. 390.23(a)(1)(A), which provides relief from Parts 390 through 399 of the Federal Motor Carrier Safety Regulations (FMCSR). Such relief from the FMCSR is necessary to hasten the movement of utility power restoration crews into New York State.

IN ADDITION, this declaration satisfies the requirements of Executive Law 29-g, which authorizes use of the Emergency Management Assistance Compact and satisfies the requirements of Executive Law 29-g(3)(c).

FURTHER, I have designated John Melville, Commissioner of the Division of Homeland Security and Emergency Services, as the State Coordinating Officer for this event.

FURTHER, I, ANDREW M.
