*If a sole proprietor owner/operator submits personal information for registration purposes to obtain a USDOT Number or Operating Authority, this information will be publicly available on FMCSA Web sites. This published information may include, but is not limited to, the sole proprietor owner/operator's home address, telephone number, and e-mail address when the home contact information serves as the business contact information.

I. Overview of Operating Authority

FMCSA encourages all applicants with Internet access to use the online registration assistant at www.fmcsa.dot.gov/online-registration in order to determine FMCSA's registration requirements. Applicants without Internet access can call FMCSA at 1-800-832-5660 for assistance.

Who Needs Operating Authority?

Before beginning **interstate** operations in the United States (U.S.), all authorized for-hire Motor Carriers of non-exempt property and passengers, Brokers, and Freight Forwarders based in the U.S. or Canada must obtain Operating Authority by submitting the appropriate form(s) in the OP-1 series. For a description of the different types of OP-1 forms and the various FMCSA requirements for obtaining Operating Authority, please see "[What Are the Steps in Getting Operating Authority?](#)" (Topic IV) in this packet.

NOTE:

- Carriers that operate solely within the State of Hawaii are *not* required to obtain Operating Authority.
- Mexico-based Motor Carriers should refer to www.fmcsa.dot.gov/espanol/forms_sp.htm (Spanish) or www.fmcsa.dot.gov/espanol/english/forms.htm (English) for more information.

In addition to Operating Authority, most Motor Carriers of property or passengers must obtain a USDOT Number before beginning interstate operations. Please consult "What Forms Do I Need?" at www.fmcsa.dot.gov/req-forms, which specifies the required forms for both Operating Authority and USDOT Number.

II. How to Apply

Applications may be submitted online or mailed to FMCSA. Compared to mailing, the online method reduces processing time by as much as 2-3 weeks, thus enabling companies to begin their operations sooner. **Remember, operations cannot begin until the certificate, permit, or license for Operating Authority has been received.** For more information, see "[What Are the Steps in Getting Operating Authority?](#)" (Topic IV) in this packet.

Apply Online

Applying online requires the use of a valid credit card (American Express, Discover, MasterCard, or Visa). Those who do not wish to submit their credit card information online must complete the application and payment by mail (see "Apply by Mail" below).

The following tips are encouraged:

- Go to www.fmcsa.dot.gov/online-registration and complete the "Step-by-Step Registration Guide" prior to starting the application. The registration guide will lead users through a series of questions. Based upon the answers to the questions, the guide will identify required registration forms and link users directly to the online application form.
- Utilize the form instructions during the completion of the online form. This will help to ensure that the application is completed accurately.

NOTE:

- The applicant's legal name (or the authorized representative's name) must match the name and billing address of the credit card.
- Record the MC or FF Number that is provided after approval of the application. This number will be needed on the insurance and process agent forms that are required to complete the application process for obtaining Operating Authority (for more details, see "[What Are the Steps in Getting Operating Authority?](#)" [Topic IV] in this packet). This number may also be needed for any correspondence with the FMCSA.

IV. What Are the Steps in Getting Operating Authority?

For Motor Carriers, Brokers, and Freight Forwarders based in the U.S. or Canada, the Operating Authority application process includes the six steps shown below. Motor Carriers based in Hawaii or Mexico should see the [NOTE](#) in “Overview of Operating Authority” (Topic I) in this packet.

Step 1 — Application for Operating Authority

Motor Carriers, Brokers, and Freight Forwarders begin the Operating Authority application process by submitting one (or more) of the following forms with the appropriate application processing fee:

- **OP-1** — Operating Authority for:
 - **Motor Carrier** (property or household goods).
 - **Broker** (property or household goods).
 - **United States-based Enterprise Carrier** (international cargo or international household goods).
- **OP-1(P)** — Operating Authority for **Motor Passenger Carrier**.
- **OP-1(FF)** — Operating Authority for **Freight Forwarder** (property or household goods).

NOTE:

- For descriptions of the different types of Operating Authority, see “[SECTION II — Type of Authority](#)” under “[How to Complete the OP-1\(P\) Application for Motor Passenger Carrier Authority](#)” (Topic V) in this packet.
- To identify the required form(s) for Operating Authority as well as USDOT Number, see “What Forms Do I Need?” at www.fmcsa.dot.gov/req-forms.

Step 2 — Grant Letter and MC/FF Number

Applicants will receive a grant letter after FMCSA processes and accepts the Operating Authority application as follows:

- If applying online, a Motor Carrier (MC) or Freight Forwarder (FF) Number will be provided immediately, and the confirmation grant letter will arrive via mail.
- If applying by mail, the grant letter should arrive via mail in approximately 4 weeks. This letter will include the MC or FF Number. Applicants have the option of checking the status of their application online. See “[Information Sources](#)” (Topic VI) in this packet for instructions.

Insurance Companies and Process Agents will use the MC or FF Number to make the appropriate filings on behalf of applicants to complete the application process for obtaining Operating Authority.

NOTE: Although an MC or FF Number has been assigned by FMCSA, this does not represent Operating Authority. The company may not begin to operate until it has received the corresponding certificate, permit, or license for Operating Authority described in [Step 6](#).

Step 3 — 10-day Protest Period

At the same time the grant letter is mailed, notice of each company’s application for Operating Authority will be published in the *FMCSA Register*. This publication initiates the 10-calendar-day protest period, during which any individual can file a protest with FMCSA stating why a company should not be issued Operating Authority. FMCSA will accept protests sent by mail as long as they are postmarked by the last day of the protest period. FMCSA will provide the applicant with information on the protest resolution process if any protests are filed. During this protest period, Insurance Companies and Process Agents can file the necessary documents detailed in Step 4 and Step 5 below.

To view the *FMCSA Register*, go to <http://li-public.fmcsa.dot.gov> and then follow the steps below:

- 1) Read the introductory page and then click the “Continue” link.
- 2) Select the “FMCSA Register” option in the dropdown menu and click “Go.”

Step 4 — Insurance

This step can begin any time after an applicant receives its MC Number as described in [Step 2](#) above and is not dependent on Step 3 being completed. An Insurance Company must file the appropriate insurance form(s) on behalf of the applicant within 90 days of the date the application for Operating Authority was published in the *FMCSA Register*. Otherwise, the application for Operating Authority will be dismissed and the application fee will not be refunded. The applicant will receive a warning letter about the 90-day deadline if FMCSA has not received the required documentation within 20 days.

NOTE:

- Applicants may not file insurance forms on their own behalf. Therefore, FMCSA does not provide insurance forms to applicants.
- An authorized representative from the home or branch office of an Insurance Company must file the required insurance form(s) on the applicant's behalf.
- To minimize processing delays, FMCSA recommends filing forms electronically.
- It is the applicant's responsibility to follow up with the Insurance Company to verify that FMCSA has received and approved the required insurance form(s).
- Failure to promptly submit required forms and documentation will delay application processing and can result in dismissal of the application and loss of the application fee.
- Check the status of insurance filings by either accessing the FMCSA Web site (see "[Information Sources](#)" [Topic VI] in this packet for instructions) or calling FMCSA toll-free at 1-866-637-0635 or 202-385-2423 (Monday through Friday, 8 a.m. to 4:30 p.m. EST).

FMCSA requires the following insurance form for applicants requesting Operating Authority as a Motor Carrier of Passengers:

- Form BMC-91 or BMC-91X for proof of bodily injury and property damage (BI & PD) insurance.

Motor Carriers of Passengers are required to maintain BI & PD insurance as follows:

- \$1,500,000 minimum liability coverage is required if **all vehicles** in the company fleet have a seating capacity of 15 passengers (including the driver) or fewer.
- \$5,000,000 minimum liability coverage is required if **any vehicles** in the company fleet have a seating capacity of 16 passengers (including the driver) or more.

NOTE: Passenger Carriers that are Federal Transit Administration grantees (Transit Service Operators) under 49 USC 5307, 5310, or 5311 are required to maintain liability insurance at least at the highest level required by any of the States in which the transit service area is located and in which the carrier operates. FMCSA will waive the \$300 filing fee for the OP-1(P) Application for Motor Passenger Carrier Authority for Transit Service Operators.

For more details about which insurance/financial form(s) FMCSA requires, please see 49 CFR Part 387. To view this information, go to the FMCSA Web site at www.fmcsa.dot.gov/rules-regulations/administration/fmcsr/fmcsrguidedetails.aspx?menukey=387.

Self-Insurance

Motor Carriers and U.S.-based Enterprise Carriers may qualify as a self-insurer against bodily injury and property damage by submitting Form BMC-40 (Application for Authority to Self-Insure) and evidence to the FMCSA to demonstrate the existence of the following:

- Adequate tangible net worth that will cover any liability claims in the event of a loss.
- Sound self-insurance program.
- Adequate safety program.

FMCSA may approve an application to self-insure subject to appropriate and reasonable conditions. For more details about self-insurance, see 49 CFR 387.309 and 387.411.

Step 5 — Process Agent

This step can begin any time after an applicant receives its MC Number as described in [Step 2](#) above. FMCSA requires each applicant for Operating Authority to designate a Process Agent in every State in which it operates or travels through. A Process Agent is a representative upon whom court papers or FMCSA Notices and Orders may be served in any legal proceeding or administrative matter brought against a Motor Carrier.

A Motor Carrier of Passengers may act as its own Process Agent in the State in which it maintains its principal place of business (a P.O. Box address is not considered a principal place of business).

Either the applicant or Process Agent, on behalf of the applicant, can file Form BOC-3 (Designation of Process Agents) with the FMCSA. This form must be filed within 90 days of the date the application for Operating Authority was published in the *FMCSA Register*. Failure to meet this deadline will result in dismissal of the Operating Authority application and loss of the application fee. The applicant will receive a warning letter about the 90-day deadline if FMCSA has not received the required documentation within 20 days following publication of notice of the application in the *Federal Register*. To minimize processing delays, FMCSA recommends electronically filing Form BOC-3 at www.fmcsa.dot.gov/documents/Form-BOC-3-508.pdf.

For a fee, many commercial companies will arrange for designation of a Process Agent in any State. Some companies offer “blanket coverage,” which designates a Process Agent in every State. For a list of Process Agent companies, visit the FMCSA Web site at www.fmcsa.dot.gov/process-agent. For more details about Process Agent designation, see 49 CFR 366.

Step 6 — Certificate, Permit, or License of Operating Authority

After FMCSA has approved the application, insurance, and process agent filings, and the protest period has ended without any protests, applicants are issued Operating Authority in the form of a certificate. **Applicants may not begin operations until this official record of Operating Authority is received by mail.**

State Regulations and Requirements

In addition to Federal requirements, all applicants must comply with registration, fuel tax, and other State regulations and procedures. Before beginning new or expanded interstate operations, applicants must familiarize themselves with the various State rules applicable to interstate companies in each State in which they plan to operate. Begin this process by contacting the transportation regulatory agency for the State in which the applicant is located.

V. How to Complete the OP-1(P) Application for Motor Passenger Carrier Authority

These instructions will assist companies in accurately completing the application. **Incomplete or incorrect applications will be delayed or suspended until the applicant has been contacted and the problems have been resolved. If an application is rejected, the application fee will not be refunded.**

NOTE FOR APPLICATIONS THAT WILL BE MAILED:

- Please **print clearly in ink** or **type** all information.
- If more space is needed to complete any section on the application form, please attach a separate sheet of paper and label each page with the applicant's legal business name, section number on the form, and item description.
- Retain a copy of the completed application form and any supporting attachments for the company's business records.
- For additional mailing instructions, please see "[Apply by Mail](#)" under "[How to Apply](#)" (Topic II) in this packet.

- Operating Authority was previously issued by the Interstate Commerce Commission (ICC), Federal Highway Administration (FHWA), Office of Motor Carrier Safety (OMCS), or Federal Motor Carrier Safety Administration (FMCSA).
- An application for Operating Authority is currently being processed by FMCSA.

If neither of the conditions above applies, select the "No" response.

If the "Yes" response is selected, indicate the MC/FF Number (for example: MC-999999), which is also called the lead docket number. To search for the MC/FF Number, follow the instructions provided under "[MC/FF Number](#)" in "[Information Sources](#)" (Topic VI) in this packet.

An applicant with a single business location must designate that location as its principal place of business. This address will be used by FMCSA for on-site visits to Motor Carriers for the purpose of conducting safety audits, investigations, and other activities.

SECTION II — Insurance Information

All Passenger Carrier applicants must complete this section. Select **only one** response.

28. Minimum Amount of Coverage Required

Motor Carriers of Passengers must maintain bodily injury and property damage (public liability) insurance. The insurance coverage requirements depend upon the seating capacities of the commercial motor vehicles that the company plans to operate:
