Stay safe in work zones with these tips from FMCSA's Our Roads, Our Safety campaign:

- **Research your route** and **avoid work zones** where possible.
- **Pay attention** to the road and posted signs.
- **Avoid distractions** on your phone, eating, or drinking.
- **Slow down** for traffic pattern shifts.
- **Watch for workers.**
- **Move early into open lanes** when approaching lane closures.
- **Stay out of blind spots** and leave extra following distance.
