

Overview of FMCSA's Safety Measurement System Display Enhancements

Industry Webinar Briefing

The FMCSA National Training Center (NTC) is pleased to offer this webinar to inform Federal Motor Carrier Safety Administration (FMCSA) public and industry partners of the final enhancements to the display of information on the Safety Measurement System (SMS) public website (<http://ai.fmcsa.dot.gov/sms>). The webinar will be offered three times in August. FMCSA completed these changes to the design of the SMS public website after careful review and consideration of the comments received in response to the November 2013 Federal Register Notice announcing the preview of the proposed display changes. These enhancements do not modify or change the SMS Methodology.

Target Audience: Public users of safety data, Motor Carriers and other Industry Safety Stakeholders

To register, please click on the link below or copy and paste the URL into your browser.

Note—sometimes it takes a while for a registration page to open. It has taken 2–3 minutes at times. Unfortunately, the FMCSA NTC Webinar Team cannot assist with that Adobe issue; you will need to wait for the page to open.

Password—if you have not participated in an FMCSA webinar before, you will need to create a new Adobe Connect username and password. If you have registered and participated in FMCSA webinars in the past, you will probably have created both. Your username is your email address; if you do not remember your password, there is a link provided for you to create a new one.

IMPORTANT NOTES regarding contacts for assistance with registration on page 2.

Wednesday, August 20, 2014, 10:00–11:30 a.m. Eastern Time

Issues that have come up with registration in the past:

- You may need to scroll down in your Web browser to see the entire form and the “Submit” button below the form. You must hit the “Submit” button in order to register.
- If you provide your email on the “Forgot password?” page and do not receive a password within an hour, please contact ntchost@dot.gov and provide your first and last name, email address and phone number. We will confirm that you are in the system and, if so, send you a link to reset your password.

Contacts regarding registration questions:

For any general questions regarding these webinars, contact Kirse Kelly (kirse.kelly@dot.gov or 703-235-1324).

If you put off registration until the day of the session and need assistance right before the webinar, please contact another member of the FMCSA NTC

Webinar Team:

- Beyonca Jones (beyonca.jones@chitraproductions.com or 703-235-0501)
- JT Threlfall (james.threlfall.ctr@dot.gov or 703-235-0504)
- Rena Baker (rena.baker.ctr@dot.gov or 703-235-1335)

We look forward to your participation!

The FMCSA NTC Webinar Team

**** The FMCSA National Training Center is committed to providing equal access to this training for all participants. Closed captioning is provided for all webinars. If you need any other alternative formats or services, please contact Kirse Kelly (kirse.kelly@dot.gov) with your request by close of business no later than 5 days prior to each event.**
