

THE STATE OF GEORGIA

EXECUTIVE ORDER

BY THE GOVERNOR:

WHEREAS: Due to the temporary shutdown of a primary fuel pipeline, there exists the potential for a short-term shortage of 7.8 RVP fuel in the metro Atlanta area; and

WHEREAS: The uninterrupted supply of summer grade fuel (RVP 7.8) is an essential need of the public and any perceived shortage threatens the public welfare; and

WHEREAS: The Federal Motor Carrier Safety regulations, 49 CFR 390, et seq., limit the hours of operators of commercial motor vehicles may drive; and

WHEREAS: 49 CFR 390.23 allows the Governor of a State to suspend these rules and regulations for up to 30 days if the Governor determines that an emergency condition exists.

NOW, THEREFORE, PURSUANT TO THE AUTHORITY VESTED IN ME AS GOVERNOR OF THE STATE OF GEORGIA, IT IS HEREBY

ORDERED: That a State of Emergency is hereby declared for the limited purpose of suspending the federal rules and regulations that limit the hours operators of commercial vehicles may drive, in order to ensure the uninterrupted supply of 7.8 RVP gasoline throughout Georgia. This emergency justifies a suspension of Part 395 (drivers' hours of service) of Title 49 of the Code of Federal Regulations. The suspension shall remain in effect for 4 days or until the emergency condition ceases to exist, whichever is less. Nothing herein shall be construed as an exemption from the Commercial Driver's License requirements in 49 CFR 383, the financial requirements in 49 CFR 387, or applicable federal size and weight limitations.

IT IS FURTHER

ORDERED: That no motor carrier operating under the terms of this emergency declaration shall require or allow an ill or fatigued driver to operate a motor vehicle. A driver who notifies a motor carrier that he or she needs immediate rest shall be given at least 10 consecutive hours off-duty before the driver is required to return to service.

IT IS FURTHER

ORDERED: This Order does not suspend the operation of any state or federal laws or regulations within the State of Georgia except as specifically described in the Order. All other laws and regulations remain in full force and will be enforced.

This 13th day of September, 2016.
