

**Fiscal Year 2013 Commercial Driver's License Program Implementation Grant Awards**

**Purpose:** Improve highway safety by ensuring that States are in compliance with the Federal regulations that require drivers of large trucks and buses to be qualified to obtain and hold the commercial driver's license necessary to operate those vehicles.

**Authorization:** Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users, Pub. L. No.109–59, §§ 4101(c) (1), 4124, 119 Stat. 1144, 1715, 1736–37 (2005), as amended by Moving Ahead for Progress in the 21st Century, Pub. L. No.112–141, §§ 32603(c), 32604, 112002(c)(1) (2012)

**Statute:** 49 U.S.C. §§ 31311, 31313 (2006), as amended.

**Grantees:** States and the District of Columbia (for high priority activities and emergency issues) persons and other entities capable of conducting eligible work that is national in scope and benefit.

**Type of Grant:** Discretionary

**Catalog of Federal Domestic Assistance Number:** 20.232

**Match:** None; required to maintain MOE.

Grantee	Amount	Descriptions
Alabama Department of Public Safety	\$1,483,034	Implement changes to comply with the CDLIS modernization effort; reduce vulnerability to fraud conduct and outreach projects for drivers to comply with medical certification requirements.
Arkansas Administrative Office of the Courts	\$487,669	Implement a program that will increase timely conviction reporting.
California Department of Motor Vehicles	\$1,500,000	Deploy automated knowledge testing system to reduce the chance of fraud at CDL-issuing locations.
Colorado Department of Revenue	\$999,835	Train third party testers and CDL compliance officers; deploy a tablet testing program for CDL skills tests; and retain temporary staff assistance to help meet timely licensing reporting requirements.
Delaware Department of Transportation	\$385,197	Update its driver licensing database to comply with the FMCSA Commercial Learner's Permit Rule and to modify its CDL skills testing procedures to comply with the 2005 AAMVA testing model.
Georgia Department of Driver Services	\$721,573	To procure staff to manage the State's covert and overt monitoring program; system upgrades to comply with Commercial Learner's Permit Rule, and to compare State driver records with the CDLIS Master Pointer Record.
Hawaii Department of Transportation	\$76,094	To implement State driver licensing database system upgrades to improve fraud prevention and ensure timely, accurate, and complete record exchange.
Idaho Transportation Department	\$138,584	To maintain its electronic CDL knowledge testing system.
Indiana Bureau of Motor Vehicles	\$2,608,406	To deploy automatic knowledge testing kiosks and to continue deployment of its electronic court record systems that allows for timely, accurate, and complete transmission of conviction records to the SDLA.
Kansas Department of Revenue	\$826,016	To deter fraud in its CDL knowledge and skills testing program by deploying an all-electronic system.
Kentucky (Executive Office of the Commonwealth of Kentucky)	\$422,594	To retain a coordinator position that manages the State's CDL program; to retain compliance analyst and help desk personnel and to make driver licensing database changes to comply with CDLIS requirements.
Louisiana Department of Public Safety Office of Motor Vehicles	\$1,495,322	To improve the timeliness of conviction reporting by implementing upgrades to the CDL driver court reporting systems; upgrade CDL testing communications network; staff support to provide help desk resources and meet medical certification requirements.
Maryland Motor Vehicle Administration	\$124,580	To enhance its judicial outreach program through training and communication efforts, and hire a CDL coordinator that will ensure State compliance with CDL program requirements.
Massachusetts Registry of Motor Vehicles	\$559,211	To implement driver licensing database system changes to comply with the CLP Final Rule.
Michigan Department of State	\$1,039,603	To expand its automated CDL testing system by deploying and repairing kiosks at CDL-issuing centers.
Minnesota Department of Public Safety, Driver and Vehicle Services	\$326,500	To perform covert and overt monitoring of CDL skills tests and comply with CDLIS requirements for reporting out of state convictions.
Nevada Department of Motor Vehicles	\$568,998	To implement driver licensing database system changes to comply with the CLP Final Rule.
New Jersey Motor Vehicle Commission	\$1,026,212	To replace CDL Manual with updated AAMVA revisions, data entry of Medical Certificates, procuring a CDL Coordinator, replace existing aging vehicles with modern efficient vehicles to eliminate CDL testing backlog, restriping, repainting and repaving testing area, overt/covert monitoring.
New Mexico Taxation and Revenue, Department of Motor Vehicles	\$521,049	To procure electronic CDL skills testing tablets, to make driver license database changes to comply with the Medical Certificate integration requirements, to increase the volume of court information reported electronically, to maintain CDL help desk personnel, to maintain a CDL coordinator position, and to maintain an audit and fraud detection position within the department.
New York Department of Motor Vehicles	\$2,932,800	To comply with the CLP Final Rule by making driver licensing database changes related to endorsements, restrictions, expiration dates, domicile verification, and by conducting the necessary background checks and testing system changes for CDL examiners.
North Carolina Department of Transportation, Division of Motor Vehicles	\$26,700	To improve the prevention and detection of fraud through covert monitoring.
Oregon Driver and Motor Vehicle Services	\$154,608	To hire a CDL Program Coordinator to ensure program quality and compliance with the FMCSRs.
Pennsylvania Department of Transportation	\$1,587,500	To make driver license database system updates to comply with CLP Final Rule.

**Fiscal Year 2013 Commercial Driver's License Program Implementation Grant Awards**

**Purpose:** Improve highway safety by ensuring that States are in compliance with the Federal regulations that require drivers of large trucks and buses to be qualified to obtain and hold the commercial driver’s license necessary to operate those vehicles.

**Authorization:** Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users, Pub. L. No.109–59, §§ 4101(c) (1), 4124, 119 Stat. 1144, 1715, 1736–37 (2005), as amended by Moving Ahead for Progress in the 21st Century, Pub. L. No.112–141, §§ 32603(c), 32604, 112002(c)(1) (2012)

Grantee	Amount	Descriptions
Rhode Island Division of Motor Vehicles	\$26,910	To reduce vulnerability to fraud and error by converting from manual to an electronic skills testing program.
South Carolina Department of Motor Vehicles	\$212,391	To improve its CDL skills testing scheduling system, conduct overt and covert monitoring of skills testing, deploy an employer notification system for crashes and suspensions within the State, support a CDL coordinator position, and implement the CDL skills test waiver program.
South Dakota Department of Public Safety Driver Licensing Programs	\$127,500	To begin working on a multi-year, multi-million dollar project to update its driver licensing database.
State of Tennessee	\$1,413,775	To implement a Troops to Trucks testing program, including Skills Performance Evaluation testing for veterans missing limbs; maintain a State CDL program coordinator and a State CDL judicial liaison coordinator; make driver licensing database changes to comply with the CLP and Texting rules; and train CDL examiners on the 2005 AAMVA testing model.
Commonwealth of Virginia, Department of Motor Vehicles	\$98,691	To make driver license database changes to allow for improved disqualification processing, improve the accuracy of CDL master pointer record data exchange, improve the accuracy of reporting out of state convictions, and conduct examiner training for the 2005 AAMVA testing model.
Washington State Department of Licensing	\$1,283,085	To make driver license database changes to comply with the CLP final rule.
Wisconsin Department of Transportation	\$281,993	To conduct overt and cover monitoring of third party examiners.
Wyoming Department of Transportation	\$500,000	To deploy an automated skills testing system to its CDL test examiners throughout the State.
Other Entities		
American Association of Motor Vehicle Administrators	\$412,285	This recommended award to AAMVA will continue support of State law enforcement personnel queries to CDLIS via the FMCSA gateway.
American Association of Motor Vehicle Administrators	\$295,626	To support a CDL Coordinators meeting in early 2014 (planning to begin upon award).
American Association of Motor Vehicle Administrators	\$728,401	To provide States with direct assistance to monitor the accuracy, completeness, and timeliness of their driver record information exchange, including the direct comparison of State records with the CDLIS master pointer record.
American Association of Motor Vehicle Administrators	\$1,427,921	The deployment of the Commercial Skills Testing Information and Management System (CSTIMS) that supports CDL skills test scheduling and information exchange to reduce fraud.
American Association of Motor Vehicle Administrators	\$617,960	The development of an online CDL examiner refresher program for State and third party testers. This will include training on requirements of the CLP rule and can serve as a supplemental resource for SDLAs.
The National Judicial College	\$195,556	Training and outreach to judges on the importance of properly adjudicating and sanctioning CDL holders to ensure State compliance with 49 CFR Part 384.
National Center for State Courts	\$591,207	The development and deployment of court technology framework kits to assist States in meeting the CDL data exchange reporting requirements.
National District Attorneys Association	\$690,529	To provide for a full-time resource for State and local traffic prosecutors dealing with charges against CDL holders.
American Association of Motor Vehicle Administrators	\$204,903	For two members of State law enforcement community to attend the 2013 AAMVA International Conference to improve direct communication with law enforcement
American Association of Motor Vehicle Administrators	\$275,952	Forming a working group of jurisdictional personnel to discuss CDL issues and provide input to FMCSA on CDL program improvements including MAP-21 and the State's highway safety plan.
Total:	\$29,396,770
